# Aero EDIH

European Digital Innovation Hub

Funded by  
the European Union

# EDIH LOCATIONS

+200 LOCATIONS ACROSS EUROPE

Funded by  
the European Union

**WHY AERO EDIH?**

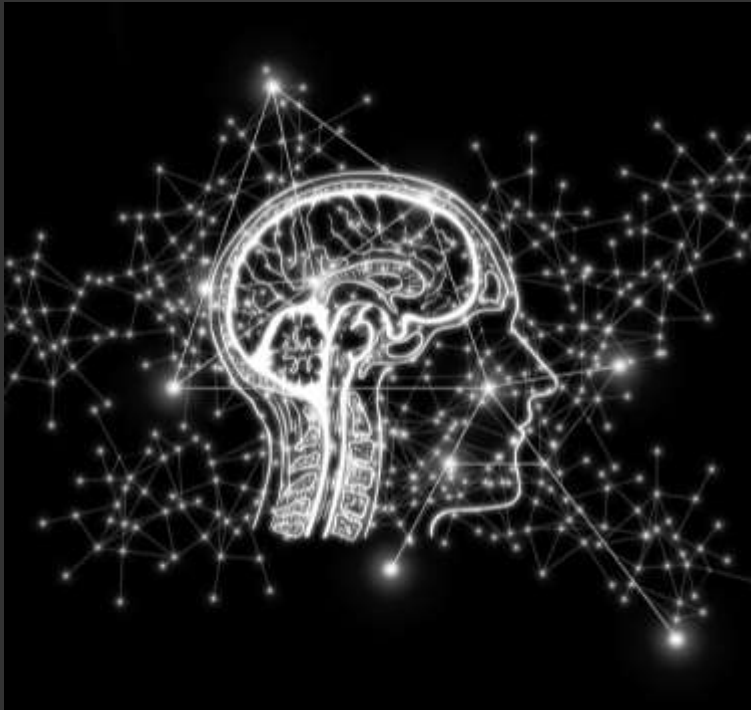

Funded by  
the European Union

**SOCIETAL AND BUSINESS IMPACT  
THROUGH DIGITAL AND GREEN TRANSFORMATION  
OF THE AEROSPACE RELATED INDUSTRIES**

# WHAT IS AERO EDIH?

Funded by  
the European Union

**SMEs and Scale-ups**

**Regional Airports**

**Public Entities**

**Key user groups**

# TECHNOLOGY FOCUS OF AERO EDIH

Funded by  
the European Union

**Artificial  
Intelligence**

**High  
Performance  
Computing**

**Cyber  
Security**

**5G/6G  
Connectivity**

**Internet of  
Everything**

# AERO EDIH SERVICE PROVISION

Funded by  
the European Union

**Testing before  
investing (PoC)**

**Support to find  
Investments**

**Training & Skills  
Development**

**Networking & Access to  
innovation ecosystems**

**Aims to raise digital maturity and investment readiness**

# TYPICAL CASES AND CHALLENGES

Funded by  
the European Union

## AI

Route optimization  
for drone swarm delivery

Image analysis  
for autonomous  
data collection

## Cyber Security

PoC and field test  
to stress test a  
drone system  
for vulnerabilities and  
lack of resilience

## HPC

CGI/VR-simulation of  
an upcoming product  
to convince stakeholders  
to invest

**VISION AND FUTURE NEWSPAPER HEADLINE.....**

Funded by  
the European Union

**Having helped many SMEs - the Aero EDIH is  
a recognized global leader in innovation support  
for next-generation aerospace related companies**

Funded by  
the European Union
